Subject: Don't print out the JRA Docs - I can make you copies.

I just looked at what I forwarded to you to read before the Dec. 2-3 meetings, and these are very long documents! Since photocopying ink is cheaper than printer ink, I think only one of us should print these out and then make copies for the others here in the Seattle office. I volunteer do to that but let me know if you've already beat me to the printing part – then I'll just make copies from your set.
